

MODULE 1

(circle either "1A" or "1B")

Mentor/Student Checklist

___ Student is enrolled in the Module. Mentor and student will receive an approved Enrollment Agreement, Mentor will receive a link to language tests.

* Completion of the *Assessment Key for Mentoring Session* forms begins with the first Student Mentoring Session.

___ Student has passed the TILT tutorial as directed in lesson 37.

___ Research Paper meets Reference Guidelines and Rubric expectations. Please do not send in a paper that the mentor does not agree is a B- value or above. Module 1A paper will focus substantially on the Old Testament.

___ Student has completed an Integrative Paper that meets the guidelines and Rubric expectations. Please do not send in a paper that the mentor does not agree is a B- value or above.

___ Teaching Component completed

___ Inductive Bible Study component completed

___ Hebrew and/or Greek lessons, quizzes, and tests are completed.

*** ___ The following feedback forms have been submitted to WCIU at the end of the Half Module:
Assessment Key for Mentoring Session form for each Mentoring Session
Mentor Half Module Assessment form
Student Feedback form (Student has completed and turned in to Mentor, Mentor has signed and sent in to WCIU)
Mentor Student Checklist one copy from each the mentor and the student.

___ For either half-module (A or B), student has completed an *Enrollment Agreement* form and has sent tuition for next half-module, or informed the Registrar of an estimated time period for next enrollment period.

___ If student is finishing a "B" half-module, student has ordered books for the next module, or is prepared to do so one month prior to enrollment.

*** It is the Mentor's responsibility to ensure that these documents are completed and returned to the WCIU Registrar's Office. Receipt of these forms trigger the authorization to pay mentor, the official posting of the grade to the student's transcript, and release for enrollment in the subsequent half-module.

Half Module is complete. Signature _____
