- | 1-5 | Items                                                                                                        |
|-----|--------------------------------------------------------------------------------------------------------------|
| ___ | 1. Course objectives were presented clearly and the course material was helpful in attaining the objectives. |
| ___ | 2. I understood where the course was headed and did not feel lost.                                           |
| ___ | 3. The course material was well organized and carefully explained.                                           |
| ___ | 4. The course material was well prepared and integrated into the overall structure.                          |
| ___ | 5. The course material was well presented and easily understood.                                             |
| ___ | 6. The background or origin of ideas and concepts developed during the course was presented.                 |
| ___ | 7. More than one point of view was presented on controversial issues.                                        |
| ___ | 8. Implications of various views and theories were compared with each other.                                 |
| ___ | 9. The mentor added special insights to the material presented in the course.                                |
| ___ | 10. The workload was evenly paced throughout the course.                                                     |
| ___ | 11. The amount of time needed for course assignments was appropriate.                                        |
| ___ | 12. Exams and graded assignments fairly measured the course material.                                        |
| ___ | 13. Help on the course work was available.                                                                   |
| ___ | 14. I have learned something from this course which I consider valuable.                                     |
| ___ | 15. My intellectual curiosity in the subject matter has been stimulated.                                     |
| ___ | 16. My interest in the subject before taking the course.                                                     |
| ___ | 17. My interest in the subject after taking the course.                                                      |
| ___ | 18. Overall assessment of required and recommended readings and texts.                                       |
| ___ | 19. Overall assessment of daily and weekly study assignments.                                                |
| ___ | 20. Overall assessment of language lessons.                                                                  |
| ___ | 21. Overall assessment of inductive Bible study component.                                                   |
| ___ | 22. Overall assessment of course examinations.                                                               |
| ___ | 23. Overall assessment of the value of course term papers.                                                   |
| ___ | 24. Overall assessment of the level of difficulty of the course.                                             |
| ___ | 25. Overall assessment of the experience of working with a mentor.                                           |
| ___ | 26. Overall assessment of the experience of teaching/discipling others.                                      |
| ___ | 27. I would recommend this course to others.                                                                 |
